I want to be a Cowboy - I got to be a Cowboy - I'm born
to be a Cowboy - I want to be a Cowboy - A Cowboy! Uh-
huh - Tonight we're taking me fast car - Were gonna go
down to the Cowboy bar - I'm gonna wait till the club is
full - and I'm gonna ride the mechanical bull - Cowboy
look is the one I sought - Can't change now cause the
clothes are bought - To be a true Cowboy was my fate -
I can't help it if I was born late - All the Cowgirls in their
Stetson hats - and their tight fitting jeans so they don't
look fat - We'll all be listening to the Cowboy tunes -
and stomp around like a bunch of goons - Cowboy look
is the one I sought - Can't change now cause the
clothes are bought - To be a true cowboy was my fate - I
can't help it if I was born late - We're all OD'd on the
Olden West - seein' who's Cowboy clothes look the best
- I can ride that phony bull so damn good - Sometimes I
think I'm Clint Eastwood - Cowboy look is the one I
sought - Can't change now cause the clothes are
bought - To be a true cowboy was my fate - I can't help
it if I was born late - I know I'm a Cowboy deep inside -
My hat band's made out of synthetic rattle snake hide -
After a couple shit kickin' Cowboy movies - I'll check out
the Cowboy scene down at Zubie's - Cowboy look is the
one I sought - Can't change now cause the clothes are
bought - To be a true cowboy was my fate - I can't help
it if I was born late - Find out who all fights the best - We
start fights with them punks at the Cuckoo's Nest -
Those damn punks are crazy(though) - and meaner
than a bull at a rodeo - Cowboy look is the one I sought
- Can't change now cause the clothes are bought - To
be a true cowboy was my fate - I can't help it if I was
born late - You call me an Urban clone of course - A big
deal if I'm afraid to ride a horse - With a broken nose
and a fucked up knee - Maybe this Cowboy scene just
ain't for me - Cowboy look is the one I sought - Can't
change now cause the clothes are bought - To be a true
cowboy was my fate - I can't help it if I was born late -
Yee Haw - Cowboy look is the one I sought - Can't
change now cause the clothes are bought - To be a true
cowboy was my fate - I can't help it if I was born late
