You can tell I'm no great planner - I ended up at the  
wanna be manor - wanna be manor, what a place to be  
- wanna be manor, it's not for me - I looked in the door,  
opened the door - peeed on the floor, spotted a whore -  
drugs and filth are all around - no clean dishes can be  
found - if you thought that your nightmares were scary  
- wait till you meet the hoe called jerri - no one dragged  
a dead fish in the room - it's spreading legs and her  
female perfume - I walked upstairs, I can't explain - but  
I got involved in a three man train - was it fun? Yeah, I  
guess - but I got crabs like all the rest - Dave's a cool  
guy but he's a really a slob - lives on unemployment,  
and he can't get a job - go ahead and take a drink,  
there's nothing to fear - just make sure you sniff that  
beer! - Passing out is no excuse - you'll be subject to  
abuse - some will let you hang there - It's just the pigs  
on their nightly visit - After busting one person each -  
the pigs said to move out of huntington beach - now I'll  
have to find a new town - or find another wanna be  
manor - wanna be manor - You can tell I'm no great  
planner - I ended up at the wanna be manor - wanna be  
manor, what a place to be - wanna be manor, it's not  
for me - wanna be manor - wanna be manor
