I don't need much attention anymore  
Sometimes I cringe at the thought of the things that I  
did before  
And I don't wanna take up all your time  
Sometimes I cringe at the thought of being left behind  
She said "You're not the boss of me"  
And I don't wanna be  
Just some guy trying to be something that I'm not  
CHORUS  
Do you wanna kick it, wit me?  
I wanna kick it with you  
Do you wanna kick it, wit me?  
I wanna kick it with you  
Everyone has something for you now  
And I know, well I hope that I one be one of the crowd  
If you feel that I am out of line  
Well I hope that you don't, but I won't wait in line  
I have learned not to offer much advice  
Who am I? Just a guy, like I know how to run your life  
Well I guess I'll tell you who I am  
I'm a man with a plan make you say goddamn  
She said "You're not the boss of me"  
And I don't wanna be  
Just some guy trying to be something that I'm not  
CHORUS X2  
And everybody's got something new to offer you  
And all the wonderful things that they can do  
I keep it simple- I just wanna kick it wit you
