I don't need much attention anymore
Sometimes I cringe at the thought of the things that I
did before
And I don't wanna take up all your time
Sometimes I cringe at the thought of being left behind
She said "You're not the boss of me"
And I don't wanna be
Just some guy trying to be something that I'm not

CHORUS

Do you wanna kick it, wit me?
I wanna kick it with you
Do you wanna kick it, wit me?
I wanna kick it with you

Everyone has something for you now
And I know, well I hope that I one be one of the crowd
If you feel that I am out of line
Well I hope that you don't, but I won't wait in line
I have learned not to offer much advice
Who am I? Just a guy, like I know how to run your life
Well I guess I'll tell you who I am
I'm a man with a plan make you say goddamn
She said "You're not the boss of me"
And I don't wanna be
Just some guy trying to be something that I'm not

CHORUS X2

And everybody's got something new to offer you
And all the wonderful things that they can do
I keep it simple- I just wanna kick it wit you
