You've changed
That sparkle in your eyes is gone
Your smile is just a careless yawn
You're breaking my heart you've changed

You've changed
Your kisses now are so blase
You're bored with me in every way
I can't understand, you've changed

You've forgotten the words, "I love you"
Each memory that we've shared
You ignore every star above you
I can't realize that you ever cared

You've changed
You're not the angel I once knew
No need to tell me we're through
It's all over now, you've changed

You've forgotten the words, "I love you"
Each memory that we've shared
You ignore every star above you
I can't realize that you ever cared

You've changed
You're not the angel I once knew
No need to tell me we're through
It's all over now, you've changed
