[Megumi] I've got no intention to be told by you

[Sanosuke] I don't wanna be told by ya

[Megumi] You're all bluff putting such "Evil" sign on your back

[Sanosuke] Ya're so overbearing Naughty

[Sanosuke] Try saying we're of the same mind and so suit each other

That's why

Ya make me sick to despair Ya don't just leave me alone

[both] You're irritating To the point of hating

Irritating You can't let yourself be handled well

Rattling off your mouth of vulgarities

You're irritating Now all the more

Irritating Worrying like that et cetera

It ain't turning out be a joke at all

[Megumi] We're like the like poles of magnets

[Sanosuke] Get near me and I'll only dart off

[Megumi] It won't be nice if you end up all broken bones

[Sanosuke] That's cramps, okay

[Megumi] You're such a hardhead Wanting to be beaten up, don't you

For some reason

You annoy me terribly Insecure

[both] You're irritating My quarrel partner

Irritating Wanting to get even

Really you're just a lonely fella

You're irritating Especially both of us

Irritating No reason

Good if you come the following day

[both] You're irritating To the point of hating

Irritating You can't let yourself be handled well

Rattling off your mouth of vulgarities

You're irritating Now all the more

Irritating Worrying like that et cetera

It ain't turning out to be a joke at all
