Surely man was born

To defend the one he loves

If there is no love If one is not strong

One cannot be kind

Don't break your dream

Smile once again

Even though I know we will be drenched

Well, let's not hold back and just plunge in the rain

Like the bright rainbow

After the storm has passed

Morning that cannot be beaten by sadness

The door of dreams opens

Surely man was born

To defend the one he loves

The finger that wipes off your tears

Even a little violence

Perhaps a man would surely fight

Until the pain in his heart disappears

If there is no love If one is not strong

One cannot be kind

Don't break your dream

Smile once again
Drowning memories steeped in crime down the sea
A man goes out once more for an endless journey
Even if the fierce winds blow
And blow away the smile
If one has courage in his heart
Someday he shall meet his dream
Surely man was born
To defend the one he loves
If there is no love If one is not strong
One cannot be kind
Don't break your dream
Smile once again
Surely man was born
To defend the one he loves
The finger that wipes off your tears
Even a little violence
Perhaps a man would surely fight
Until the pain in his heart disappears
If there is no love If one is not strong
One cannot be kind
