From an insignificant encounter It went on beginning

Alone, again a visit alone

That became a story

You were hurt to understand

The strength of tears Someday Certainly

I wonder whom you shall go out to defend

Perhaps without thought

I wonder whom you shall go out to meet

At a corner of this world

I thought I wanted to be strong

You told me

"But you're not alone"

At the far side of the smile when you turn your face

The spreading skies Someday Certainly

I wonder whom you shall go out to believe

Perhaps I think you'd like to love

No matter how far away you are

You're place shall always be here

Even if the winds take away the footprints Even if time  
passes

Certainly Certainly I shall not forget

I wonder whom you shall go out to defend  
Perhaps without I thought  
I wonder whom you shall go out to meet  
At a corner of this world  
I wonder whom you shall go out to believe  
Perhaps I think you'd like to love  
No matter how far away you are  
You're place shall always be here  
I wonder whom you shall go out to defend  
Perhaps without I thought  
I wonder whom you shall go out to meet  
At a corner of this world
