I brush against the freckles that I hated so my  
life goes on and I heave a little sigh for you  
It's heavy, the love that I will share for you  
but it dissolves like it was just a sugar cube  
Now the little pain sitting in my heart  
has shrunk in a bit, but it really does hurt me now  
Those silly horoscope signs  
Guess I can't trust them after all  
If we could get further away (Ooooh...)  
I wonder what it would be like...\*  
Yeah!  
I'd be so happy  
inside my heart  
All the memories I have are beautiful in my mind  
But they don't feed the hunger deep inside my soul  
and tonight I thought I'd be just sitting in my sorrow  
and now I must wonder why  
What did it really mean to you  
I just can't see it anymore  
No I just can't see it anymore.....  
O-O-o-o-o-o-o
