Hey, watch out

Touch me and you'll get cut

You're not yet

Stronger than me

You probably know

The blue flame

Now silently burns inside the ice

Ah- A smile surfaces

I can see from afar

One boy

The winds, painful rain, shouts, severed thread, winter
skies

Why am I laughing?

I don't know

I'm just lost

The blue flame

Now silently burns inside the ice

Ah- 'Coz only one

Answer

Do I know

Be careful

'Coz you are weak

Soon I

Shall wipe you out Surely

Ah- The blue flame

Shall now silently burn inside
