Overflowing without cessation

As much as my tears spill

It isn't miserable, either

It's my always unending love

Baby, Yes! I can beat this presentiment

That's hot enough to melt my body Woah

I'll go over everything

Ah- Every time I touch you, I am close to you

Ah- When I felt you I was filled up

To make certain of my rising heart

I'll hold you strongly

Screaming without meaning

My fragile heart, many times

Has been consolingly

Wrapped softly by your love.

Baby, yes! That beloved body

Is always inviting me Woah

Until I forget everything else

Ah- Every time I touch you, I am close to you

Ah- When I felt you I was filled up

When the rising couple is repaired

I'll hold you strongly

Ah- Just to touch you, my heart pounds

Ah- Just to touch you, fills me up

To make certain of my rising heart

More strongly... Yeah

Ah- Just to touch you, my heart pounds

Ah- Just to touch you, fills me up

Now, just to keep these feelings from dying

I'll hold you strongly I'll hold you.
