Gotta secret I need to tell  
I'm comin' out of this shell  
I think about it everyday  
I think about leavin'

This is where I don't belong  
But I'm tryin' to be strong  
I'm dyin' to hear you say  
Let's run away

Are we gonna run away?  
Are we gonna run away?  
I just wanna know where you wanna go  
'Cause I'm thinkin' 'bout leavin'  
Are we gonna run away?  
Are we gonna run away?  
I just wanna feel a little more real  
Baby, you can pick the place

I'll spend another night alone  
So nothing can be shown  
I'm smiling in disguise of the compromise  
Bein' where I want but you are all I flaunt  
Baby, save the day  
I'm on my way

Are we gonna run away?  
Are we gonna run away?  
I just wanna know where you wanna go  
'Cause I'm thinkin' 'bout leavin'  
Are we gonna run away?  
Are we gonna run away?  
I just wanna feel a little more real  
Baby, you can pick the place

Lost my heart behind  
These eyes that try to find  
Something better than I see  
You say what you will, but I'm not standin' still  
It's time for you to follow me

Are we gonna run away?  
Are we gonna run away?  
I just wanna know where you wanna go  
'Cause I'm thinkin' 'bout leavin'  
Are we gonna run away?  
Are we gonna run away?  
I just wanna feel a little more real  
Baby, you can pick the place
