Disappointment overtakes me
Can I go on?
Will you let me?
I can't believe that I have to tell you
I must go now
We've been through too many tears
Through the years

Does anybody know where
I can give my heart again?
Does anybody know why
I can't remember when?
And my soul is in the mirror
And everything was clear
Does anybody know why I'm still
Does anybody know why I'm still here?

It used to feel right
It used to be good
You supported, you understood
When my heart was
And now it's broken
And it's all out in the open
And I could scream out
But would you hear me?
Can't you listen?
Won't you save me?

I know the answers before you say them
It wouldn't be right if you gave in
So you can be without me

Does anybody know where
I can give my heart again?
Does anybody know why
I can't remember when?
And my soul is in the mirror
And everything was clear
Does anybody know why I'm still
Does anybody know why I'm still here?

I'm so over knowing
You won't hear me out
All the words unspoken
Now they scream out loud

Does anybody know
Does anybody know, oh

Does anybody know where
I can give my heart again?
Does anybody know why
I can't remember when?
And my soul is in the mirror
And everything was clear
Does anybody know why I'm still
Does anybody know why I'm still here?
