Last chance, 'cause we're goin' nowhere
We've been livin' on the moon, drownin' in despair
My minds takin' a trip, not makin' any sense
My mouth's givin' you lip, talkin' in self defense

Somethin's goin' on
And I don't know what it is
Somebody pay some attention to me

Hey, we're gonna be alright, you'll see
But, baby, will you carry me?
Survivin' in a fighting ring
Just don't let 'em bury me

Last chance and this time I will stay strong
My head was held so high, but it's been way too long
The fire's burnin'. Heat-like trickle nightmare
Desperate yearnin'. This road's leading somewhere

Somethin's goin' on
And I don't know what it is
Somebody pay some attention to me

Hey, we're gonna be alright, you'll see
But, baby, will you carry me?
Survivin' in a fighting ring
Oh, baby, can't you see?
We're gonna be alright you'll see
But, baby, will you carry me?
Survivin' in a fighting ring
Just don't let 'em bury me

Do you know where you are?
(Bury me, bury me)
Do you know where you are?
(Bury me, bury me)
Last chance
What am I doing here?
(Bury me, bury me)
Last chance
(Bury me, bury me)
