You're so ridiculous

Ever since you gave me a second look  
I can read you like an open book  
All the ways you tried to say how you felt  
Sounded funny, but you made me melt

I've stayed blown away  
Lovin' everything you say  
Oh, baby, you sound ridiculous  
Laugh out loud, you stand out in a crowd  
Oh, baby, you're so ridiculous  
(You're so ridiculous)

Where do you get the words that come out of your  
mouth?  
I hope it's me that you're still talkin' about  
I know you think that I'm the crazy one  
I think that I'm just havin' way more fun

I've stayed blown away  
Lovin' everything you say  
Oh, baby, you sound ridiculous  
Laugh out loud, you stand out in a crowd  
Oh, baby, you're so ridiculous

Your magic's addictive  
Now I know why I'm livin'  
We'll never be over  
I've found my four leaf clover  
Your magic's addictive  
Now I know why I'm livin'  
We'll never be over  
I've found my four leaf clover

Ever since you gave me a second look  
I can read you like an open book  
All the ways you tried to say how you felt  
Sounded funny, but you made me melt

I've stayed blown away

Lovin' everything you say  
Oh, baby, you sound ridiculous  
Laugh out loud, you stand out in a crowd  
Oh, baby, you're so ridiculous

I've stayed blown away  
Lovin' everything you say  
Oh, baby, you sound ridiculous  
Laugh out loud, you stand out in a crowd  
Oh, baby, you're so ridiculous
