What you want?
Can you tell me what you want?
I can tell you're not comfortable here
I wish I knew how to comfort you
But all I can say is 'you just hang in there'

I know it all goes wrong
But you just have to move along
I feel your pain and it always seems the same
All over and over again

Something different's around the corner
I need changes, I'm out of order
Something beautiful's beyond the distance
We're out of time
It's all in line with no resistance

Dry your eyes
Just get over the cries
Because it's not as bad as you might think
It's just a plan and you don't understand
And if you don't swim, you just might sink

We'll find the best of us
Don't be so serious
Don't dwell, 'cause you have to tell yourself
All over and over again

Something different's around the corner
I need changes, I'm out of order
Something beautiful's beyond the distance
We're out of time
It's all in line with no resistance

The pictures on the wall
Remind us when we fall
We are not alone
And nothing's set in stone

Something different's around the corner
I need changes, I'm out of order

Something beautiful's beyond the distance
We're out of time
It's all in line with no resistance

Hold on
Hold on
Hold on... to me
