Yeah yeah yeah yeah yeah, listen to my heart slam it's
the hologram jam
Yeah yeah yeah yeah yeah, I got a digital tan it's the
hologram jam
Twilight save me tonight

Yeah yeah yeah yeah yeah, listen to my heart slam it's
the hologram jam

Sugar coated cherry soda puking on the lawn
It's six AM the party's over everybody's gone
Rode a motherfucking mastodon to my high school
prom
It's on it's on it's on it's on like immigrant song.

Sugar coated cherry soda
It's like the futures over it's like the curtains closing
It's like the earth is sobbing
I plug my headphones in the sewer in the street
Listen to the pulse like an 808 beat

Hologram Jams
Yeah yeah yeah yeah yeah, listen to my heart slam it's
the hologram jam
Yeah yeah yeah yeah yeah, I got a digital tan it's the
hologram jam
Twilight save me tonight
Yeah yeah yeah yeah yeah hear the bass go bam bam
It's the hologram jam

Sugar coated cherry soda staining the sky red
The twilights a projector for the movies in my head
I was dead technically for a second in the sea
Octopus legs wrapped around my throat I couldn't
breathe
Sugar coated cherry soda I am a lightning bolta
I'm picking oranges in the fields where they bury
soldiers

Sing it sing it loud child
Like lions in the wild like theres bullhorns in your mouth

Yeah yeah yeah yeah yeah, listen to my heart slam it's
the hologram jam
Yeah yeah yeah yeah yeah, I got a digital tan it's the
hologram jam
Twilight save me tonight
Yeah yeah yeah yeah yeah, listen to my heart slam it's
the hologram jam
