[MC Battle Leader]:

Okey Azur Starts!

[Azur]:

Yo... let's rap... hey yo.. oh oh yo.. go!

I'm rapping that you're crapping like it can't happen

Acting and slapping you like you're a damned fan

My words hurt your girl and she really hurls

And looks like now she wanna get of this world

But hey what-about-you?

Hey I know it! You suck too

I got something to do

You went in school

You play traunt cause you wanna be cool?

Fuck it you're just a fool!

You're here... but what are you gonna do?

{*The beat stops*}

[MC Battle Leader]:

Okey that was Azur

How was he? {*Public cheers*}

Yeah he was good

Let's see uhm... K..Kepam?

It's your turn now!

Grab the mic and do something now!

[Kepam]:

Yo... I need the beat..yo a little quicker please..

Yo yo... oh yo go!

Allright I let you hurt my girlfriend

But your girl? Well she drinks my sperm then

And I think she hurls more than my girlfriend

Isn't she now jumpin off this world then? {*Public
cheers*}

I love-to-talk-about-you!

Particularly when-it-is-true!

I remember what you did in sixth grade you sniffed
glue!

Well that was true and yeah that was all about you!

{*The beat stops*}

{*Public cheers*}

[MC Battle Leader]:

I think we got a winner here tonight

Kepam! {*Public Cheers*}

[Kepam]:

Thank you atheists!
