"A Special Gift To You"

Two x's connected by a dotted line
A special gift to you
One representing where you are
And what is left to do
It's so easy to forget what you want
I pull the question from my skull
It's so easy to forget
Refracted, distracted, replaced by bigger ones
A special gift to you
Both representing where we were
And what we didn't do
It's so easy to forget what you want
I pull the question from my skull
It's so easy to forget
And i don't care to talk about the past
I cheated everyone
I beat the odds and beat the band
But i've forgotten what i've won
I forget
