Oh,
My mind is clear, I have no fear,
Cuz now I know the other side of me,
I'm letting go of who I used to be.
Now I'm alive, feeling born again,
And I will fight until the bitter end.

Took a thousand scars to find me,
Every one of them reminds me,

I won't ever surrender like that.
I know better, to ever fall back.
The enemy was living in my head,
I ripped it out and left it there for dead.
Now I'm alive I'm feeling born again,
And I will fight until the bitter end.

I found my way through jaded days,
Cuz now I know the other side of me,
I'm letting go of who I used to be.
Now I'm alive I'm feeling born again,
And I will fight until the bitter end.

Took a thousand scars to find me,
And every one of them remind me,

I won't ever surrender like that,
I know better to ever fall back.
The enemy was living in my head,
I ripped it out and left it there for dead.
Now I'm alive I'm feeling born again,
And I will fight until the bitter end.
Bitter end.

My mind is clear, I have no fear,
It took a thousand scars to find me,
Memories remain.

I won't ever surrender like that,
I know better to ever fall back.
The enemy was living in my head,
I ripped it out and left it there for dead.

Now I'm alive I'm feeling born again,
And I will fight until the bitter end.

I won't ever surrender like that,
And I know better to ever fall back.
The enemy was living in my head,
I ripped it out and left it there for dead.
Now I'm alive I'm feeling born again,
And I will fight until the bitter end.
Bitter end.
