Getting times to one to undone?  
Blinkin' eye, you can't let go?  
Can we revive another life?  
Or Is it done?

Another day to fall away from  
The memories when we were one  
I'mma show the (resecure?)  
Can this be undone?  
Where did we go wrong?  
One more time I (rawl?)

Cause  
There's a war between our words again  
Cause you only believe me now and then  
But I need you to know you've always been  
The reason that I breath Oxygen  
Why can't you believe me?  
So close but yet so far  
We have lost who were are  
So close but yet so far  
We are lost inside our scars. (inside our scars)

Bring the man, this come again  
I guess that's the price we pay  
Still I've been the one who rends

Can this be undone?  
Where did we go wrong?  
One more time I (rawl?)  
Cause there's a war between our words again  
Cause you only believe

Cause  
There's a war between our words again  
Cause you only believe me now and then  
But I need you to know you've always been  
The reason that I breath Oxygen

Why can't you believe me?  
So close but yet so far  
We have lost who we are

So close but yet so far  
We are lost inside our scars

Inside our scars!

One more time I (rawl?)  
Cause  
There's a war between our words again  
Cause you only believe me now and then  
But I need you to know you've always been  
The reason that I breath Oxygen  
Why can't you believe me?  
So close but yet so far  
We have lost who were are  
So close but yet so far  
We are lost inside our scars.  
Inside our scars.  
Inside our scars. (x2)  
Blinkin' eye, remember? Gone.
