"Never Happy"

Can't help but think of you / when i can't sit still / caught
up in cancerous thoughts / all the same / in everything,
endeavor you do / you never know what to say / you
can't help it, oh / you're never happy, no / you're never
happy / you say you never know what to do / you can't
help what you say / follows your forte, oh / you're never
happy, no / you're never happy

Understated want / recolled and trembling / inside
you're sixteen wheels / and growing, growing / in
everything, endeavor you do / you never know what to
say / you can't help it, oh / you're never happy, no /
you're never happy / you say you never know what to
do / you can't help what you say / follows your forte, oh
/ you're never happy, no / you're never happy, no /
you're never happy, no / you're never happy
