Now that I'm (Now that I'm)
Caving in (Caving in)
I've found that I'm
Bent and broken
Now this heart of mine you've stolen

These expressions left on my face.
They'll speak louder than words that you'll ever know
You're the one I cannot replace
Now I know that you see I'm so vulnerable.

Now that I'm (Now that I'm)
Caving in (Caving in)
I've found that I'm
Bent and broken
Cannot hide (Cannot hide) these feelings in (These
feelings in)
This heart of mine that you've stolen
Now this heart of mine you've stolen

I collapse into your arms where
Well I'm weak and I fall for you after all
And I'm fighting locked up feelings
And I know you're the key to unlock it all

Now that I'm (Now that I'm)
Caving in (caving in)
I've found that I'm
Bent and broken
Cannot hide (Cannot hide) these feelings in (These
fellings in)
This heart of mine that you've stolen

Words unspoken have cut me open
Please tell my soul where you took it from me
I'm completely lost and empty
I can't move on, I don't want to believe
That this heart of mine you've stolen
(Please tell my soul where you took it from me)

Now that I'm (Now that I'm)
Caving in (Caving it)

I've found that I'm
Bent and broken
Cannot hide (Cannot hide) these feelings in (These
feelings in)
This heart of mine that you've stolen

These expressions left on my face
Please tell my soul where you took it from me
I collapse in to your arms where
I can't move on, I don't want to believe
That this heart of mine you've stolen.
