Ah ha ha, hoodlum shit (hoodlum shit)  
ya know what im saying  
feel me  
the saga continues  
what what

fucking with a dirty nigga gets your wig split  
fucking with the fake nigga gets you killed quick  
what knda nigga do you got in your hood  
the one thats down with the killing or running like  
bitches  
back to the actual factual about this shit  
niggaz be playing like they real, they not bout it  
screaming 200 and beyond shit  
niggaz need to stop talking or im bout to bome on them  
quick  
but them niggaz dont wanna see the other prosper  
riding in the benz screaming I got it  
whats wrong with that niggaz be playa hating me  
what the fuck up with ya G  
I alone handle my business  
I alone deseaced all my enimies  
I dont give a fuck, cant ya see fuck in this job nigga  
that opposes me  
bring it hard, I bring it quicker  
I bring more noise breaking the sound barrier, ya dig it  
dirty nigga coming out the scene its just wicked fickit  
New Orleans, nigga what

(Skull talking)

That nigga Chad don't like it yo  
What what  
That nigga Bobby wanna deal you fo  
What what  
That hoe Satchel boy round the block  
What what  
I heard the hoe even called a cop  
What what  
What the fuck are you gonna do  
What what

Skull watch your back I'm comin fool  
What what  
Who you think gonna knock you off  
What what  
Them niggas close to you make you fall  
What what

Insane be the thought that made murder up  
whatching blood and body parts hit the sidewalk  
niggaz know my c-low it be tight  
mayhem and money and murder is what I like  
bucking niggaz like bitches, and straight up macking  
hoes  
not talkin bout you females talkin bout you nigga roll  
what you gonna do, here I go bitch  
bring it on to me anytime find the ditch  
put niggaz that walk, and try to talk the all  
hoodlum niggaz be stalking niggaz like you after dark  
now whassup, niggas don't want none  
and if they did they wouldnt of been the proper kid  
cause I am the one

What what  
Nigga bout to buck you down low  
What what  
Skull watch your back he's comin G  
What what  
You better get somewhere safely  
What what  
Grab your punt by your gat nigga  
What what  
You got to start shootin back nigga  
What what  
Watch them fuckin jive ass hoes  
What what  
Them niggas knocked out with ya low  
What what

(Skull talking)
