two x's connected by a dotted line  
a special gift to you  
one representing where you are  
and what is left to do  
it's so easy to forget what you want  
i pull the question from my skull  
it's so easy to forget  
refracted, distracted, replaced by bigger ones  
a special gift to you  
both representing where we were  
and what we didn't do  
it's so easy to forget what you want  
i pull the question from my skull  
it's so easy to forget  
and i don't care to talk about the past  
i cheated everyone  
i beat the odds and beat the band  
but i've forgotten what i've won  
i forget
