i saw it coming  
this is what they write about  
it's all coming down  
we have been warned about it  
but let not the romans  
ruin our romance as well  
how will we know when it's over  
they have not tamed us yet  
tell them, go waste your time  
on tomorrow  
my love, you don't have to wallow in your sorrow  
my love, you don't have to steal or borrow  
go waste your time  
i tried to speak up  
but i was cornered with a fool's dunce cap  
yeah, i may be dumb  
but i still have ears to listen  
and i heard a rumor  
you're made achillean with the school budget  
taxing the people  
from which you already profit  
so where does it end?  
don't waste your time  
it is hollow  
my love, you don't have to wallow in your sorrow  
my love, you don't have to steal or borrow  
go waste your time
