no matter where you are
no matter how close or far
i will make you throw your hands near

i will make you turn my way
and staring at you for years
means too many chances
have passed me already
oh darling, let me come call on you
when you're not here
you won't forget what you are to me

and i won't change your mind
no, i will make you certain
no surer will you have been of anything

i will make you turn my way
and do it all on purpose
too many chances have passed me lately

darling, let me come call on you
when you're not here
you won't forget what you are to me
and we'll spend the week
not sparing a wink

here, love, oh, ooh, love

here, love, oh, ooh, love, oh
when you're here love, oh, ooh, love
here love, oh, ooh, love, oh

give me your hand
come one, come all

darling, let your fate come call on you
when you're not here
you won't forget what you are to me
and we'll spend the week
not sparing a wink

here, love, oh, ooh, love
here, love, oh, ooh, love, oh
say what you want to me
here love, oh, ooh, love
here love, oh, ooh, love, oh
