I'm like a drug that will make you go crazy
it's like a candy that I know you'll find tasty
chocolate love
good to the last drop
cant get enough
know you cant stop

daddy you can flip me dip me

know just when to lick me

anytime of the day

im like cotton candy baby

you know I can be handy

but I wont melt away

so give it up

I know you like it

you'll get addicted fast

until you try it

cause I am shakin'

and turn the music up

while you blow me

blow me away

baby we can do it

we can do it right now

do it all night

rock it

I got this creamy vanilla swirl dip for you

get on my rocket cause im takin' a trip with you

get ready to blast off all night long

you getting the message

you turn me on

daddy you can flip me dip me

know just when to lick me

anytime of the day

im like cotton candy baby

you know I can be handy

but I wont melt away

so give it up

I know you like it
you'll get addicted fast
until you try it
cause I am shakin'
and turn the music up
while you blow me
blow me away

bang on the drum while I am riding you
bang on the drum while I am riding you
bang on the drum while I am riding you
bang bang bang bang

bang on the drum while I am riding you
bang on the drum while I am riding you
bang on the drum while I am riding you
bang bang bang bang

you know you like it
