People tell me, one day I learn
Someone will get love in return
But all I can see, a picture of you

I pick up the phone
But you're not home
Can I believe I'm all alone?
I'm here calling you're name

I'll be waiting, waiting for you
Don't leave me stand, I'm lost without you
I'll be waiting, waiting for you
Don't leave me stand, I'm lost without you
Lost without you

People say it's time to move on
All those things, I heard them before
They will never know my feelings for you
Good thing has come to those who wait
Still it's so hard to keep my faith
I'm here calling you're name

I'll be waiting, waiting for you
Don't leave me stand, I'm lost without you
I'll be waiting, waiting for you
Don't leave me stand, I'm lost without you
Lost without you

Ooh, lost without you
