Nobody on the road, nobody on the beach
I feel it in the air, the summer's out of reach
Empty lake, empty street, the sun goes down alone
I'm driving by your house, though I know you're not
home

But I can see you - your brown skin shining in the sun
You got your hair combed back and your sunglasses
on, baby
I can tell you my love for you will still be strong
After the boys of summer have gone

I never will forget those nights, I wonder if it was a
dream
Remember how you made me crazy, remember how
you made me scream
Now I don't understand what happened to our love
But babe I'm gonna get you back
I'm gonna show you what I'm made of

But I can see you - your brown skin shining in the sun
I see you walking real slow and you're smiling at
everyone
I can tell you my love for you will still be strong
After the boys of summer have gone

Out on the road today, I saw a 'Deadhead' Sticker on a
Cadillac
A little voice inside my head said, don't look back, you
can never look back
I thought I knew what love was, what did I know
Those days are gone forever, I should just let them go
but

But I can see you - your brown skin shining in the sun
I see you walking real slow and you're smiling at
everyone
I can tell you my love for you will still be strong
After the boys of summer have gone

But I can see you - your brown skin shining in the sun
You got that top pulled down and that radio on, baby

I can tell you my love for you will still be strong
After the boys of summer have gone

But I can see you - your brown skin shining in the sun
I see you walking real slow and you're smiling at
everyone

I can tell you my love for you will still be strong
After the boys of summer have gone
