[Verse 1:]

If I thought for a minute you'd change your mind,
I'd be down on the very next train.
But I heard from a few of our mutual friends,
That you don't wanna see me again.

[Verse 2:]

Only you know the reasons why I can't cope,
With your clothes and your records all gone.
Went off with the keys, never once did you phone.
Left me lost and alone for so long.

[Mid. 8:]

Just what things you've been saying,
What games you've been playin',
Who with girl I'd rather not know.
Took all I gave and threw it back in my face,
Now I'm forced into letting you go.

[Verse 3:]

Though I hoped for a while you'd call my bluff,
That you'd be back lying beside me.
For myself mother comfort was never enough,
Now it' seems like it's fait accomplie.

[Mid. 8.2:]

I'll know better next time around,
Should've guessed from the very start.
I was oblivious to what's going down,
I've been left with a broken heart. (Oh Yeah -)

[Solo]

[Mid. 8.1:]

Just where things you've been staying,
What games you've been playin',
Who with girl I'd rather not know.
Took all I gave and threw it back in my face,
Now I'm forced into letting you go.

[Repeat Verse 1]

[Outro:] Why d'ya have to let me down now baby,

[repeat 'til end]
