It's not that I can live without you
It's just that I don't even want to try
Every night I dream about you
Ever since the day we said goodbye
If I wasn't such a fool
Right now I'd be holding you
There's nothing that I wouldn't do
Baby if I only knew

{Chorus}
The words to say
The road to take
To find a way back to your heart
What can I do
TO get to you
And find a way back to your heart

I don't know how it got so crazy
But I'll do anything to make things right
'Cause your love is so amazing
Baby you're the best thing in my life
Let me prove my love is real
And made you feel the way I feel
I promise I would give the world
If only you would tell me girl

{Chorus}
The words to say
The road to take
To find a way back to your heart
What can I do
To get to you
And find a way back to your heart

Give me one more chance, to give my love to you
'Cause no one on this earth loves you like I do, tell me

{Final chorus}
The words to say
The road to take
To find a way back to your heart

What can I do
To get to you
And find a way back to your heart.
