Paper covers rock
Rock blunts stone
Paper covers rock
Paper covers rock
Paper cuts rock
Trading paper cuts

Tattooed design
Name fucking
Dearly ordained
Gouged out behind

But am I
Privy to your
Anemic antipathy
Vacuum ready

Paper covers rock
Paper covers rock
Paper covers rock
Paper cuts rock
Paper cuts scissors
Rock blunts stone

A legible price quote the only death certificate
Throat slit silent, spin the wheel of misfortune

Carcass lottery one room four walls
When displacement takes you out, on the killing floor
