Little ones

They scream like bunnies
Probably something you
Said about a faceless head
A mirror locked in a room
You wonder what it did
There's a crack in the floor
That wasn't there before
I think it's looking at you

Fears in the water
Tapping on your shoulder
Fears in the water
Dragging down your daughter
Fears in the water
Brazen like a soldier
Fears in the water
Looking at you, oh

REPEAT ALL

You, oh
You, oh

Little Ones

They scream like bunnies
Probably something you
Said about a faceless head
A mirror locked in a room
You wonder what it did
There's a crack in the floor
That wasn't there before
I think it's looking at you

Fears in the water
Tapping on your shoulder
Fears in the water
Dragging down your daughter
Fears in the water
Brazen like a soldier
Fears in the water
Looking at you, oh

Fears in the water
Dragging down your daughter
Fears in the water
Looking at you
