(Chorus)

Its christmas ,all around the world.
People celebrating with Egg Nog.
People cheering down Christmas Lane.
Oh Oh yeah...its Christmas!

We thought we'd write this Christmas song, for people everywhere.

Christmas Lane is filled with joy and laughter!
Everyone is sitting under the Christmas tree,
Singing Christmas songs.
What a special time of year!!!

(Chorus)

Its christmas ,all around the world.
People celebrating with Egg Nog.
People cheering down Christmas Lane.
Oh Oh yeah...its Christmas!

We're doing our best to succeed with our Christ-mas joy.
Unrapping all of our Christmas gifts,
but the greatest gift of all
is being with you
on Christ-mas Lane!

(Chorus)

Its christmas ,all around the world.
People celebrating with Egg Nog.
People cheering down Christmas Lane.
Oh Oh yeah...its Christmas! [x2]
(christmas is held for 6 beats... fades off)
(Said)Merry Christmas!
