You could buy me diamonds
You could buy me pearls
Take me on a cruise around the world
Baby, you know I'm worth it

Dinner lit by candles
Run my bubble bath
Make love tenderly to last and last
Baby, you know I'm worth it

Wanna please
Wanna keep
Wanna treat your woman right

Not just dough
Better show
That you know she is worth your time

You will lose
If you choose
To refuse
To put her first

She will
and she can
Find a man who knows her worth

Cuz a real man knows a real woman when he sees her
And a real woman knows a real man ain't afraid to
please her
And a real woman knows a real man always come first
And a real man just can't deny
A womans worth

If you treat me fairly
I'll give you all my goods
Treat you like a real woman should
Baby, I know you're worth it

If you never play me
Promise not to bluff

I'll hold it down when shit gets rough
Cuz baby, I know you're worth it

She walks the mile
Makes you smile
All the while
Being true

Don't take for granted
The passions that she has for you

You will lose
If you choose
To refuse
To put her first

She will
and she can
Find a man who knows her worth

Ooooooh

Cuz a real man knows a real woman when he sees her
And a real woman knows a real man ain't afraid to
please her
And a real woman knows a real man always comes first
And a real man just can't deny
A womans worth

No need to read between the lines spelled out for you
Just hear this song cuz you can't go wrong when you
value
A womans (womans, womans, womans) worth

Cuz a real man knows a real woman when he sees her
And a real woman knows a real man ain't afraid to
please her
And a real woman knows a real man always comes first
And a real man just can't deny
A womans worth

Cuz a real man knows a real woman when he sees her
And a real woman knows a real man ain't afraid to
please her
And a real woman knows a real man always comes first
And a real man just can't deny
A womans worth
