Ooooooooooh, Oooooh

There will never come a day,

You will never hear me say,

That i want or need to bewithout you,

I wanna give my all.

Baby just hold me,

Simply control me,

Because you arms, they keep away the lonely.

When i look into youre eyes,

Then i realize,

All i need is you in my life,

All i need is you in my life.

Cause i never felt this way about lovin, (No)

Never felt so good baby,

Never felt this way about lovin,

It feels so good
