Lately when I look into your eyes

You're the only one I need in my life

Baby I just don't know how to describe

How lovely you make me feel inside

You give me butterflyz

Got me flying so high in the sky

I can't control the butterflyz

You give me butterflyz

Got me flying so high in the sky

I can't control the butterflyz

This seemed like the likely thing

From the start you told me I would be your queen

But never had I imagined such a feeling

joy is what you bring

I want to give you everything

You give me butterflyz

Got me flying so high in the sky

I can't control the butterflyz

You give me butterflyz

Got me flying so high in the sky

I can't control these butterflyz

Youuuu and liiiiii

Are destiny

I know now

You were made for me

Meeee

Ohhh oooo

I can't control it

It's driving me

Taking over me and I wantâ€¦!

You give me butterflyz

Got me flying so high in the sky

I can't control the butterflyz

You give me butterflyz

Got me flying so high in the sky

I can't control the butterflyz

You give me butterflyz

Got me flying so high in the sky

I can't control, I can't control it

You give me butterflyz

Got me flying so high in the sky

I can't control the butterflyz

You give me something I just can't deny

Something that is so real

I just can't control the way I feel

Oh no oh no oh no oh no

You give me something that I just can't deny

Something that is so real

I just can't control the way I feel

Ohh I never felt like this
