Yeah yeah what

Uhuh uh yeah yeah what

Your girlfriend

2000

Alicia Keys

Uh huh

JD wha' wha'

Come on

Alicia:

Maybe silly for me to feel this way about you and her

Cuz I know she's been such a good friend

I know she has helped you through

Talkin late on the phone

Every night you've been callin'

Private moments alone

And your heart soon be fallin

And I know she's a friend

But I can't shake the feeling

That I could be losing your heart

I think I'm jealous of your girlfriend

Although she's just a girl that is your friend

I think I'm jealous of your girlfriend

She shares a special part of you

Ohohohoh

You said that she's one who helped you see

How deep your love with me

And intentions were not to get in between

But I see possibilities

And you say that you feel

I'm the best thing in your life

And I know it's real I see it in your eyes

There's no reason for me, to even feel this way

I know you just enjoy her company

I think I'm jealous of your girlfriend

Although she's just a girl that is your friend

I think I'm jealous of your girlfriend

She shares a special part of you

I think I'm jealous of your girlfriend

Although (you say) she's just a girl that is your friend

I think I'm jealous of your girlfriend

She shares a special part of you

Ohohohoh

JD:

You say you're jealous but you can't tell me why

(x7)

Alicia:

It's enough to make me go crazy

oh-oh-ho

I think I'm jealous of your girlfriend

Although she's just a girl that is your friend

I think I'm jealous of your girlfriend

She shares a special part of you
