hmmm

bye bye

how do you love someone

that hurts you oh so bad

with intentions good

was all he ever had

but how do I let go when I've

loved him for so long and I've

givin him all that I could

maybe love is a hopeless crime

giving up what seems your lifetime

what went wrong with something once so good?

chorus:

how do you find the words to say

to say goodbye

(find the words to say goodbye)

when your heart don't have the heart to say

to say goodbye

(find the words to say goodbye)

I know now I was naive

never knew where this would lead

and I'm not tryin' to take away
from the good man that he is
but how do I let go when I've
loved him for so long and I've
givin him all that I could
was there something wrong that we did
cause others infiltrated
what went wrong with something once so good?
(chorus)
is this the end
are you sure
how should you know when you've never been here
before
it's so hard to just let go
when this is the one and only love I've ever known
(chorus 2x
