Theres no escape from the spell you have laid

deep in my heart in my mind

foolish am i if i was to try

to ever leave you behind

Chorus:

i wanna rock wit u

(come give me all your love)

no matter what we do

(i wanna rock wit u)

with you and only you

(i wanna rock wit u)

i wanna rock wit u

(rock wit u babe)

ill stay and walk this life with you

no matter what we may go through

dead broke no job, no house, no ride

im gonna stay right by your side

mm-hmm

Chorus:

i wanna rock wit u

(come give me all your love)

no matter what we do

(i wanna rock wit u)

with you and only you

(with you and only you)

i wanna rock wit u

(rock wit u baby, baby)

don't question where

your headed to my love

dont be afraid

just believe in love

Chorus:

i wanna rock wit u

no matter what we do

with you and only you

i wanna rock wit u

i wanna rock wit u

(rock wit u babe)

no matter what we do

(i wanna rock wit u babe)

with you and only you

(wanna rock wit u babe)

i wanna rock wit u

(wanna rock wit u babe)
