Feels like the world is closin on me

Feels like my dreams will never come to me

I keep on slippin deeper into myself

And i'm scared, so scared

Chorus

If your troubled,

You just gotta let it go

If your worried, baby,

You just gotta let it go

All your hustlers aint' for nothin,

You just gotta take it slow

If you need me baby,

All you do is let it go

Why does it feel

That my mind is constantly tryin

To pull me down?

I can't seem to get away

Continuous mistakes I know i've made before

How long will i feel so out of place?

Chorus

(music break)

Chorus (x3)

Bridge....fade
