Friends we've been for so long
Now true colors are showing
Makes me wanna cry oh yes it does
Cuz I had to say goodbye
By now I should know
That in time things would change
So it shouldn't be so bad
So why do I feel so sad
How can I adjust
To the way that things are going
It's killing me slowly
Oh I just want it to be how it used to be
Cuz I wish that I could stay
But in time things must change
So it shouldn't be so bad
So why do I feel so sad
You cannot hide the way you feel inside I realize
Your actions speak much louder than words
So tell me why oh
By now I should know that
That in time things would change

So it shouldn't be it shouldn't be so bad

So why do I feel so sad

By now I should know

That in time things must change

So it shouldn't be so bad

So why do I feel so sad

By now I should know

That in time things must grow

And I had to leave you behind

So why do I feel so sad

If it couldn't be that bad

Tell me why

By now I should know

That in time things would change

So it shouldn't be so bad

So why do I feel so sad
