We'll walk around pretending
We're all grown up... Hey rich girl!
Well can you tell me why you're so stuck up?
When you act like you're so down

I'll tell you everything I know
Any little thing I know
I'll tell you everything I know
Any little thing I know

What a lovely way with words
Is that the way you see the world?
It's just the way you see the world...
You got the know
You got the know

We'll walk around pretending
We're all grown up... Hey rich girl!
Well can you tell me why you're so stuck up?
When you act like you're so down

I'll tell you everything I know
Any little thing I know
I'll tell you everything I know
Any little thing I know
What a lovely way with words
Is that the way you see the world?
It's just the way you see the world...
You got the know
You got the know
You got the know

I went down to your house last weekend
You said, "Come on, man, you don't have to point out
everything that's bad".
So there's a broken mirror on my bed ,
I'll clean it up,so what?

You got the know
You got the know
Oh ooh oh oh ooh oh oh oh
Oh ooh oh oh ooh oh oh oh

You got the know
Oh ooh oh oh ooh oh oh oh
Oh ooh oh oh ooh oh oh oh
