Sweet beyond deny
It crept into it's soul one night
Unseen by human eye

Lucifer - Azazel - Belial - Seth
The devil has many a name
Ancient alp - adversary - come forth and reveal
Thy nature thou must proclaim

Lord of all winds, fever and plague
Thy will be done - thy will be done
Bringer of havoc, fiend of old date
Thy will be done - thy will be done
By god and the heavens
Let loose from this soul
The name of the father
And lord we extol

Lucifer - Azazel - Belial - Seth
The devil has many a name
Ancient alp - adversary - come forth and reveal
Thy nature thou must proclaim

Lord of all winds, fever and plague
Thy will be done - thy will be done
Bringer of havoc, fiend of old date
Thy will be done - thy will be done
By god and the heavens
Let loose from this soul
The name of the father
And lord we extol

Lord of all heavens, deliver from hell
Thy will undone, thy will undone
To the power of Christ thou must compel
Thy will undone, thy will undone
Lord of all winds, fever and plague
Bringer of havoc, fiend of old date
Thy will is done...
