nihilistic mystics
apostolic alcoholics
messianic manics
cataclysmic and prolific
in the age of super boredom
hype and mediocrity
celebrate relentlessness
menace to society
this is counter culture from the underground
eternal revolution this is our sound
kmfdm better than the best
megalomaniacal and harder than the rest
refuse is our inspiration
terrorism our trade
sabotage and piracy
chaos our mental state
mesmerizing festering
intended for the faint of heart
cultish and anthemic
until death us do part
this is counter-culture from the underground

eternal revolution this is our sound
kmfdm better than the best
megalomaniacal and harder than the rest
like a fiendish tropic virus
spitting bile at all you whores
razor sharp tongue-in-cheek
poking in your open sores
a wolf in sheep's clothing
the ultimate disgrace
wrapped up as a gift of god
exploding in your face
this is counter-culture from the underground
eternal revolution this is our sound
kmfdm better than the best
megalomaniacal and harder than the rest
refuse is our inspiration
terrorism our trade
sabotage and piracy
chaos our mental state
in the age of super-boredom
hype and mediocrity
celebrate relentlessness
menace to society
this is counter-culture from the underground
eternal revolution this is our sound

kmfdm better than the best

megalomaniacal and harder than the rest
