feat. Product

Chorus

The boys look so good but their minds are not ready

So here we go yo...

Thats why I'd rather talk to a man cause his mind is so steady

So here we go yo...

Yo, the girl looks so good but her mind is not ready

So here we go yo...

Thats why I'd rather talk to a woman cause her mind is so steady

So here we go yo...

Friday night...see I'm vibin and feelin right

Sunroof back...me and my baby just had a fight

(Khadejia...Khadejia)

I gotta clear my mind of problems that I have inside

So I bump in my ride so you dont hear me cry

Chorus

Uhhh, the weekends here and Im chillin with my crew

You got me stressed and Im sittin here sippin booze

I wanna clear my mind of problems that I have inside

Ohh, when I jump in my ride Im a try to hold it all

inside...

Chorus

Yo...Yo...Yo we dont like-a...

A jealousy with envy

We dont like...

When you smile and wanna blast me

We dont like...

Stick up...give up your jewelry

We dont like...

Suicide for milly or vanilly

What we like-a...

Yeah is when we chill wit the herb

What we like-a...

Is to drink in the Titanic wit no iceberg

What we like-a...

Is when the thugs get hyper

Make sure what your bringin' home aint carrying lice...

Right about now if you ready for the ghetto princess

Khadejia...

Let me see one finger in the air

Da da da (one finger in the air)

Da da da da daah (one finger in the air)

Da da da (one finger in the air)

Da da da da daah (one finger in the air)

Da da da daah (one finger in the air)

Daaah

Hey yo Khadejia...Khadejia

Chorus
