Chaka--Chaka--Chaka--Chaka  
Chaka Khan  
Chaka Khan  
Chaka Khan  
Chaka Khan  
Chaka Khan

Chaka Khan, let me rock you  
Let me rock you, Chaka Khan  
Let me rock you, that's all I wanna do  
Chaka Khan, let me rock you  
Let me rock you, Chaka Khan  
Let me rock you, 'cause I feel for you  
Chaka Khan, won't you tell me what you wanna do  
Do you feel for me the way I feel for you  
Chaka Khan, let me tell you what I wanna do  
I wanna love you, wanna hug you, wanna squeeze you  
too  
Let me take you in my arms  
Let me fill you with my charms, Chaka  
Cuz you know that I'm the one to keep you warm, Chaka  
I'll make it more than just a physical dream  
I wanna rock you, Chaka baby, cuz you make me wanna  
scream  
Let me rock you -- rock you

Baby, baby when I look at you  
I get a warm feeling inside  
There's something 'bout the things you do  
That keeps me satisfied

I wouldn't lie to you baby  
It's mainly a physical thing  
This feeling that I got for you baby  
Makes me wanna sing

I feel for you  
I think I love you  
I feel for you  
I think I love you

Chaka Khan, let me rock you  
Let me rock you, Chaka Khan  
Let me rock you, that's all I wanna do  
Chaka Khan, let me rock you  
Let me rock you, Chaka Khan  
Let me rock you cuz I feel for you, feel for you

Baby, baby when I lay with you  
There's no place I'd rather be  
Can't believe, can't believe it's true  
The things that you do to me

I wouldn't lie to you baby  
I'm physically attracted to you  
This feeling that I got for you baby  
There's nothing that I wouldn't do

I feel for you  
I think I love you  
I feel for you  
I think I love you

I feel for you  
I think I love you  
I feel for you  
I...I...I think I love you

Chaka Khan, let me rock you  
Let me rock you, Chaka Khan  
Let me rock you, that's all I wanna do  
Chaka Khan, let me rock you  
Let me rock you, Chaka Khan  
Let me rock you, cuz I feel for you  
Chaka Khan, won't you tell me what you wanna do  
Do you feel for me the way I feel for you  
Chaka Khan, let me tell you what I wanna do  
I wanna love you, wanna hug you, wanna squeeze you  
too  
Let me take you in my arms  
Let me fill you with my charms, Chaka  
Cuz you know that I'm the one to keep you warm, Chaka  
I'll make it more than just a physical dream  
I wanna rock you, Chaka, cuz you make me wanna  
scream  
-- Feel for you

I feel for you  
(Feel for you)  
I, I feel it too  
(Feel for you)  
I feel for you

(Feel for you)

I feel for you  
I think I love you  
I feel for you  
I think I love you

[Repeat to fade]
