(Verse 1)

I look in your eyes and I can see  
We've loved so dangerously  
You're not trustin' your heart to anyone  
You tell me you're gonna play it smart  
We're through before we start  
But I believe that we've only just begun  
When it's this good, there's no saying no  
I want you so, I'm ready to go

(Chorus)

Through the fire  
To the limit, to the wall  
For a chance to be with you  
I'd gladly risk it all  
Through the fire  
Through whatever, come what may  
For a chance of loving you  
I'd take it all the way  
Right down to the wire  
Even through the fire

(Verse 2)

I know you're afraid of what you feel  
You still need time to heal  
And I can help if you'll only let me try  
You touched me and somethin' in me knew  
What I could have with you  
Now I'm not ready to kiss that dream goodbye  
When it's this sweet, there's no saying no  
I need you so, I'm ready to go

(Chorus)

Through the test of time...

(Chorus)

(Repeat the following/Fade Out)

To the wire  
To the limit

Through the fire  
To whatever  
Through the fire  
To the limit  
Through the fire  
To whatever
