Life grows weary once again

I don't know why

But there's nothing more that i can give

Times seem so pointless anymore

I can't make things out

I've closed the door

That's when i bleed

Life don't mean too much to me

I don't know why

But, it's every night when i bleed

If life could end so suddenly

I'd take that chance

Any night when i bleed

Why do things just waste away

Give me a reason

Give me a place where i can stay
All my dreams lie shattered on the floor

I'm lost, I'm hopeless

I'm gone for good

Life grows weary once again

I don't know why

But, there's nothing more that i can give

What will ever come of me

I'm just dyin'

Don't save me please

It's every night when i lose my mind

Just lyin' there in a cold dark room

wretched thoughts, they twist and warp my mind

I've got no one to blame, nothing i can do
